- Criticism
- Personal attacks
- Not being needed or appreciated

CALL ME OUT WHEN I...

- Am focused too much on the human element
- Am ignoring my needs as I take care of yours
- Am working too enthusiastically in a burst of energy
- Seem to be agreeing with you too easily
- Am internalizing the failures of others
- Ignore the need for bureaucracy and structure

THIS IS ME

I am on earth to help others. I am here to touch lives. I am here to speak, write communicate, think, fix things, and build people and teams. If I am not doing that, I am a failure.

JASON'S STYLE

- Win the war before going to battle.
- Have smaller, more nimble units and have an unlimited amount of options to adapt and react.
- Stabilize everything. Success only in stable environments.
- Have a zero tolerance for safety, cleanliness & organization.
- Build the team first.
- Make, "Respect for People," the basis of all decisions
- Transparency in all things and everyone all in.
- Always do the right thing.
